## Topics

- Artificial Intelligence and Machine Learning
- Big Data and e-Science Applications
- Embedded and Real-time systems
- Green Wireless Communication Networks
- Knowledge Processing
- Web and Information Retrieval
- Human-Computer Interaction
- Network Virtualization
- Hybrid Soft Computing
- Parallel and Distributed Computing
- Pattern Mining
- Social Network Mining
- Biometric authentication and algorithms
- Visualization and Multimedia
- Cyber-Physical Systems and Networks
- Optimization & Computational Intelligence
- Image, Speech, and Signal Processing
- Semantic Web and Ontologies
- Digital Fabrication
- Future Generation Information System
- IoT Intelligence Infrastructure
- Connected Vehicle (CV) Technologies
- Block Chain Technologies
- Smart City Technologies
- Unmanned Aerial Vehicle
- Intelligent Trust Systems

\*\* It is proposed to publish the peer-reviewed and selected papers of the conference as proceedings with Springer in their prestigious "Lecture Notes in Electrical Engineering" series.

## About GITAM

Gandhi Institute of Technology and Management, popularly known as GITAM, was founded in 1980 by an inspired group of eminent intellectuals and industrialists of Andhra Pradesh led by Dr. M. V. V. S. Murthi, former Member of Parliament and famous philanthropist. The vision of MAHATMA, the Father of the Nation, was to see India as a socially and economically resurgent country. He considered education an essential means to achieve this goal. GITAM University, Bangalore intends to be a prominent research and teaching institution that provides quality, career-focused education, and world-class specializations.

## Accreditations & Recognitions

## About ICDEMI-2023

ICDEMI aims to provide an international forum for scientists and academicians worldwide to share their ideas and new research insights on data science, data engineering, artificial intelligence, big data, cloud computing, sustainability, and knowledge-based expert systems. The conference seeks to scoop potential research submissions from all other areas, including theoretical, practical, and experimental domains

### CHIEF PATRONS

**Sri M. Sri Bharat**
