6th INTERNATIONAL CONFERENCE

WOMEN IN DATA SCIENCE RIYADH@PSU

مؤتمر المرأة في علم البيانات
ريادة@PSU

14-15 March 2023

Sixth International Women in Data Science (WiDS) Conference will be organized by Prince Sultan University (PSU), Artificial Intelligence & Data Analytics (AIDA) Lab, in collaboration with Stanford University. The conference aims to foster women's interest and professional participation in both data science and engineering and computer science as a whole. WiDS PSU 2023 will bring together high-profile international researchers and industry pioneers. Prince Sultan University (PSU) is the WiDS Ambassador for Stanford, and the conference aims to expose the latest data science research and practices in the Arab Middle East by promoting the exchange of ideas, encouraging mentorship, and interdisciplinary collaboration in line with technological advances in the Kingdom under the umbrella of the Saudi Vision 2030.

Topics

- Track 1:** Artificial Intelligence, Computer Vision & Natural Language Processing
- Track 2:** Big Data Analytics, Data Visualization & Forecasting
- Track 3:** Data Security, Cybersecurity, IoT
- Track 4:** Data Science & AI for Sustainability
- Track 5:** Data Science & AI Applications in Healthcare; Renewable Energy; Education; Smart Agriculture; Business; Law & Digital Humanities

Important Dates

- Paper Submission Open:**
September 10, 2022
- Full paper submission deadline:**
December 30, 2022
- Acceptance Notification:**
January 23, 2023
- Camera Ready Paper Submission:**
February 6, 2023
- Paper Registration:**
February 10, 2023
- Conference Dates:**
14-15 March 2023

All questions about submissions should be emailed to: widsriyadh@psu.edu.sa
